

EUROFEST BC SOCIETY

April 6th, 2025

Dear Sponsor,

EuroFest BC Society, a local non-profit society, is raising funds for the upcoming European Festival and invites you to our European Festival Event on May 25th, 2025, from 11 am to 6 pm at the Slovenian Hall, 5762 Sprott Street, Burnaby.

This is our first independent event since COVID, and we are excited to return to our roots with a standalone celebration of European culture. With strong community and business support, we aim to make this an impactful and memorable event.

For over two decades, we have showcased European heritage through dance, music, art, theatre, and cuisine. While our festival recently found a temporary home at Country Fest in Maple Ridge, we are now bringing the event back as an independent celebration, inviting the public to experience the vibrant diversity of Europe in one place.

We invite you to become a sponsor of the 2025 European Festival and offer the following sponsorship levels:

Bronze Sponsor: \$50+

- Logo and link placement on our festival website

Silver Sponsor: \$100+

- Classified Ad with logo and link on our festival website and newsletter

Gold Sponsor: \$250+

- Ad placement on our festival website and newsletter
- Display of a half-letter-sized printout at the Eurofest booth

Platinum Sponsor: \$500+

- Banner Ad placement on our festival website and newsletter
- Display of a letter-sized printout at the Eurofest booth

We also welcome donations for our **raffle prizes and silent auction**. Donors contributing \$50+ will receive social media exposure and logo placement on our website. We encourage exciting donations such as gift certificates, baskets, event tickets, wine, vacation packages, or even plane tickets to Europe! Every contribution provides valuable exposure for your business and helps us create a truly exciting and memorable event experience.

Please contact **Kecia Boecking** at kecia@europeanfestival.ca to submit your donation or sponsorship.

Thank you for your time and support. Let's make this independent European Festival an unforgettable celebration!

Warm regards,

Kecia Boecking

President, EuroFest BC Society
